Description :

Dice Set I (Product Code: SLE/PP/08) is a pair of rubber number dice used to help youngchildren move from counting dots to reading numerals, building number sense up to 5 and themeaning of zero. It contains a Combined Dice showing numerals 0 to 5 with dots and a DiceDomino showing 0 to 5 dots. It is supplied by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, Ambala, India, as a hands-on early-maths resource for pre-primary sections in India and abroad.

Key Details

Parameter	Detail
Set contents	2 rubber dice
Combined Dice	Numerals 0 to 5 with dots
Dice Domino	0 to 5 dots
Number range	Number sense up to 5, including zero
Concepts	Transition from iconic (dot) to numeral representation; counting words; one-to-one correspondence; introducing zero; recognising numerals up to 5; cardinality (quantity)
Product code	SLE/PP/08
Supplied by	Jain Scientific Equipments Pvt Ltd (ScienceLab), Ambala, India

What Is Dice Set I Used For?

The two dice form a bridge between pictures of quantity and written numbers. The Dice Domino shows dots only, so children count them or learn to recognise the domino pattern at a glance. The Combined Dice places each numeral beside its dots, so the child can see that the symbol and the quantity mean the same thing.

A simple game is to roll the Dice Domino, say the number, then turn the Combined Dice to find the matching numeral. In counting games where children take as many counters as the dice shows, a zero roll means taking nothing, which gives zero a real meaning. Once numerals up to 5 are read quickly, children are ready for dice with larger numbers.

Supplier

Dice Set I is supplied by Jain Scientific Equipments Private Limited, known as ScienceLab, from Ambala, Haryana, to nurseries, primary schools, early-learning programmes and distributors in India and international markets. Overseas and institutional buyers can record the company's Importer-Exporter Code AAECJ8618A, issued by the DGFT, and GSTIN 06AAECJ8618A1ZT in their supplier files. See the ScienceLab profile for more about the business.
