Description :

Solar Direct Drive Ref Ultra (Product Code: SLE/CCE/04) is a stand-alone solar direct drive (SDD) vaccine refrigerator used to keep vaccine stock cold at health posts and immunizationsites that have no dependable mains supply. Immunization programmes choose it for smallstocks: it gives 16 litres of net vaccine storage behind a lockable lid and arrives as a plug-and-play set with all components and fittings. It is manufactured by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, Ambala, India, a laboratory equipment supplier in India serving institutionalbuyers.
