**Product Name :**      **Product Code :**

Weblogger

SLE/CCE/026

## **Description :**

### **Technical specifications:**

Operating temperature: -30 to +70°C

Alarm: Visual

Battery type: Non-replaceable CR lithium

Battery shelf life: 12 Months

Activated life: 12 Months

IP rating: IP 65

Display medium: LCD

User interface: USB for computer

Minimum logging interval: 1 Minute

Accuracy:  $\pm 0.5^{\circ}\text{C}$
