## Description :

**Simon Uterine Scoop Sharp** (Product Code: SLE/SI/35) is a rigid uterine scoop with a sharp, oval spoon-shaped blade, used to remove retained products of conception from inside the uterus. Gynaecologists and obstetric units use it for its 12 mm spoon on a 25 cm shaft, which reachesthe uterine cavity once the cervix has been dilated. It is supplied by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, Ambala, India, which handles lab equipment export from India as well as domestic hospital orders.

### Specifications

| Parameter | Detail |
|---|---|
| Type | Uterine scoop |
| Shank | Rigid |
| Blade shape | Oval, in the form of a spoon |
| Blade edge | Sharp |
| Spoon width | 12 mm |
| Shaft length | 25 cm |
| Material | Martensitic steel (quenched, magnetic) |
| Composition | 0.20% carbon; 13% chromium |
| Intended use | Removal of retained products of conception from inside the uterus |
| Product code | SLE/SI/35 |
| Supplied by | Jain Scientific Equipments Pvt Ltd (ScienceLab), Ambala, India |

### What Is a Simon Uterine Scoop Used For?

After cervical dilation, the scoop is passed into the uterine cavity and its sharp oval spoon is drawn along the wall to lift out retained products of conception. The rigid shank transmits the operator's control directly to the blade, and the spoon shape gathers the material as it is removed.

Its companion, the Sims Uterine Curette Sharp, has a fenestrated oval blade of the same 12 mm width on a slightly longer shaft, so some clinicians keep both in the evacuation set to switch between a spoon and a fenestrated blade. Medical colleges ordering scientific & laboratory instruments for obstetrics teaching can order the two together. Protect the sharp edge in storage and inspect it before every use.

### Supplier

Jain Scientific Equipments Private Limited trades as ScienceLab from Ambala in Haryana. It sources and supplies obstetric and gynaecological instruments such as the Simon Uterine Scoop Sharp for hospitals, maternity units, medical colleges, surgical dealers and importers in India and intern
