**Product Name :**

Burette Stand, Hard Wood, Double

**Product Code :**

SLE/LR/17

# Description :

**Burette Stand, Hard Wood, Double** (Product Code: SLE/LR/17) is a polished hardwood stand and clamp used to hold two burettes side by side for titrations in school and college chemistry labs. Built on a 290 × 110 mm base with rods of approx. 460 × 16 mm, it lets one titration station carry two burettes at once, for paired students or two different titrants. It is made by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, an OEM manufacturer, at its own factory in Ambala, India, as a burette stand and clamp for Indian school labs.

## Specifications

| Parameter | Detail |
|---|---|
| Type | Double burette stand with clamp |
| Material | Polished hardwood |
| Burettes held | Two |
| Rods | Approx. 460 × 16 mm |
| Base | 290 × 110 mm |
| Product code | SLE/LR/17 |
| Manufacturer | Jain Scientific Equipments Pvt Ltd (ScienceLab) — OEM |
| Country of origin | India (made in Ambala, Haryana) |

## What Is the Double Hardwood Burette Stand Used For?

Two burettes on one stand make several routines easier: running a sample and its blank or duplicate side by side, carrying out a back titration with two reagents, or letting two students share a station during board practicals. Teachers also use it to demonstrate a rough and an accurate titration next to each other so the class can compare end points.

Polished hardwood will not rust, and a quick wipe removes most spills, which suits benches where dilute acids and alkalis are handled every day. Put a white tile under each flask to see the colour change, keep the stand away from open flames, and dry it rather than soaking it after cleaning. A wider 290 mm base spreads the load of two filled burettes.

## What to Specify When Ordering

- The number of double stands needed.
- Whether some benches need the single hardwood version instead.
- Whether burettes or burette brushes should be quoted as well.

## OEM Manufacturer

Jain Scientific Equipments Private Limited, the company behind ScienceLab, is the OEM (original equipment manufacturer) of this double hardwood burette stand and produces it at its own licens
impor
the lab.
