Product Name :

Human Hand Joint Model

Product Code :

SLE/BL/58

Email : sales@scilabexport.com
Phone: +91-7082934803

Description :

Human Hand Joint Model (Product Code: SLE/BL/58) is a life-size PVC hand on a stand usedto demonstrate hand functionality and the external anatomical structures of the hand in anatomy, therapy and biology classrooms. Because it stands on its own, it doubles as a permanent bench or display piece for occupational therapy and physiotherapy departments. It is made by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, an OEM manufacturer of school laboratory equipment, at its own factory in Ambala, India.

Specifications

Parameter	Detail
Part represented	Human hand and its joints
Demonstrates	Hand functionality and the external anatomical structures of the hand
Scale	Life size
Mounting	On stand
Material	PVC plastic
Product code	SLE/BL/58
Manufacturer	Jain Scientific Equipments Pvt Ltd (ScienceLab) — OEM
Country of origin	India (made in Ambala, Haryana)

What Is the Hand Joint Model Used For?

Teachers use the model to point out the external landmarks of the hand, discuss the joints of the wrist, palm and fingers, and relate them to everyday actions such as gripping, pinching and writing. Occupational therapists find a life-size hand useful when explaining exercises or splinting to patients recovering from hand injuries.

In a school biology lab setup, the model supports chapters on the skeleton, joints and movement, and makes a good companion to a full skeleton for close-up study. Place it where students can view it from all sides, and handle the fingers gently when demonstrating so the joints are not strained.

OEM Manufacturer

Jain Scientific Equipments Private Limited, trading as ScienceLab, is the OEM of this hand joint model and makes it at its own licensed factory at Saha, Ambala, Haryana, India. Schools, colleges, therapy departments, dealers and importers order it factory-direct, with quotations issued by the manufacturer itself. For vendor registration, the manufacturer's GSTIN is 06AAECJ8618A1ZT and its Legal Entity Identifier (LEI) is 3358004HRD1JIVXKYX49. More information is on the company profile.
