**Product Name :**

Instruments for Measuring the Density of Solids with Regular and Irregular Shape and the Density of Liquids

**Product Code :**

SCL-271/015

**Description :**

**DESCRIPTION :-**

- The device for measuring the density of solids with regular and irregular shape and the density of liquids consists of a solid body with irregular shape, a rigid body with regular shape, a digital scale, a cylindrical container 100ml, a 500ml glass beaker.
- Chart demonstrating devices for measuring the density of solids in regular and irregular form and liquids
