Product Name :

Ruler, White Vinyl

Product Code :

SLE/ME/26

Email : sales@scilabexport.com
Phone: +91-7082934803

Description :

Ruler, White Vinyl (Product Code: SLE/ME/26) is a short dual-scale student ruler used as basic school laboratory equipment to measure lengths in both inches and millimetres during scienceand maths classes. It carries a 6 in scale and a 150 mm scale, and its reverse side has Celsiusand Fahrenheit scales, which makes it a handy aid for comparing temperature units. It is made by **Jain Scientific Equipments Pvt Ltd (ScienceLab)**, an OEM manufacturer, at its own factory in Ambala, India.

Specifications

Parameter	Detail
Material	White vinyl
Length scales	6 in and 150 mm
Reverse side	Celsius and Fahrenheit scales
Product code	SLE/ME/26
Manufacturer	Jain Scientific Equipments Pvt Ltd (ScienceLab) — OEM
Country of origin	India (made in Ambala, Haryana)

What Is a White Vinyl Ruler Used For?

Students reach for a short ruler many times in a practical: to measure leaf or specimen length, the extension of a spring, a length of wire, a crystal or the axes of a graph. Having inch and millimetre scales on one ruler lets learners see how the two systems compare and convert between them. The Celsius and Fahrenheit scales on the back turn the same ruler into a quick reference during thermometry lessons, read side by side with a dual-scale thermometer.

Measure from the zero mark rather than the physical end of the ruler, and look straight down at the scale to avoid parallax. The white surface gives good contrast on a busy bench. Wipe it with a damp cloth and keep it flat, away from hot plates and burners, so the vinyl stays straight.

OEM Manufacturer

Jain Scientific Equipments Private Limited trades as ScienceLab and is the OEM behind this ruler, producing it at its licensed factory at Saha, Ambala, Haryana, India. The company is a registered MSME enterprise (Udyam UDYAM-HR-01-0003714), and its export consignments move under Importer-Exporter Code AAECJ8618A issued by the DGFT. Schools and distributors buying class sets deal directly with the maker for quotations and repeat orders. See the company profile for more.
