Product Name :

Lab Coat - Light Weight Reusable

Product Code :

SLE/SLC/07

Description :

These lab coats are manufactured from a multilayered spunbonded-melt blown-spunbonded (SMS) fabric that offers high durability while remaining comfortable and breathable.

These anti-static garments provide protection from liquid spray and particulates without compromising on comfort or ease of movement.

The material is low-linting and resistant to damage.

Ideally suited for use in protection areas of medical, industrial, laboratory, electronic, and pharmaceutical environments.

Large 42-44 Inch.

Chest: 107-112cm.

Arm Length: 56cm.

Length: 112cm.
